Between Now and Program Date

1. Put me on your mailing list so that I receive all information sent to attendees.
2. Send me a copy of last year's program. I want to get a "feel" for what you do and how you do it. This will help me customize my presentation.
3. Send me current in-house publications, i.e. newsletters, etc. I want to learn about your group. Is there a brochure that explains your work or mission?
